Yaswanth Mitta
Undergraduate

As a passionate computer science student, I aspire to grow as a software engineer by contributing my technical skills and knowledge to develop innovative software solutions. My objective is to secure a challenging position in a progressive company that provides opportunities for continuous learning, professional growth, and a chance to work with cutting-edge technologies.

EDUCATION

Vellore Institute of Technology , Vellore.
B Tech Computer Science
2021 - 2025

Sri Gayatri Junior College
Higher Secondary School - Maths Physics Chemistry
2019 - 2021

Lakshmi English Medium School
B Tech Computer Science
2021 - 2025

PROJECT

Education Courses App UI
I built an Educational app UI with Flutter, featuring 3 pages for learning. I used responsive design and advanced programming to optimize the app. I delivered a polished and well-crafted product.

Solar System App
Using flutter developed and launched an innovative solar system app featuring exceptional transition effects for enhanced visualization of the solar system, catering to children's educational needs.

Created a 30 days Javascript Course
Developed an interactive 30-day JavaScript course tailored to beginners.
Random Joke Generator and Alarm Clock are done in the course

ACHIEVEMENTS

South Zone Hockey championship
December 2022 | VIT , Tamilnadu
Participation

Chief Minister Trophy Hockey | Vellore
Feburary 2023 | VIT , Tamilnadu
Winners | Gold
